The membership fee is waived for students who are enrolled in higher education who are taking at least 12 credits per academic year. Student membership may be renewed annually but applies only for so long as an individual is enrolled as a student at the undergraduate or graduate levels. Upon completion of his or her studies, receipt of degree, or upon leaving school for any other reason, student members no longer qualify for inclusion in the WRI student membership category. Upon graduation, students may then elect to apply for professional membership.

Please complete and sign this application; scan and email to tsorensen@byu.edu to start your membership. Any questions may also be addressed to this email.

I agree to abide by the Bylaws of the Institute and I expect all the rights and privileges of a Student Member in the Wire Reinforcement Institute.
